## LSCD In Short

The BioScience Network Lausanne is proud to organize in collaboration with the University of Lausanne and the Lemanic Neuroscience Doctoral School the 5<sup>th</sup> edition of **Life Science Career Day (LSCD)** that will take place **the 21<sup>st</sup> of May 2016 at the UNIL campus.**

The LSCD aims to help young scientists **discover and prepare for new career opportunities** primarily outside of academia.

With several sessions of presentations, workshops dedicated to career-related skills, and a **networking forum**, LSCD2016 is an excellent opportunity to **promote your company** and attract talents in the Life Sciences.
